

## *Provincial Jamboree 2019*

### *Stranded Campfires*

#### *Instructions!*

#### **Saturday**

On Saturday night, weather permitting of course, groups will join together to have a campfire. Cubs will be divided into three groups for smaller campfires. Scouts and Venturers will all go together in one location. Campfires will be scattered around the camp. The Campfire Chief at each location will be a youth. Locations will be announced in the finalized program manual.

Each group is to prepare contributions to Saturday campfires. How will this work?

The youth leaders in each section (Howlers, PL/APL, company leadership team) will poll their small teams (lairs, patrols, etc) to get a couple of skits, cheers, and a song or two. The youth section leadership team will complete the campfire program template attached below from suggestions received from the youth. They should then have a full campfire to practice to ensure that the group knows the songs and cheers.

Scouters can support the youth as they make a plan for the campfire, but they shouldn't have an active role, other than singing, doing the cheers, and laughing at the skits, of course! As well, they need to monitor the content of skits so they are appropriate, and not offensive to any particular group.

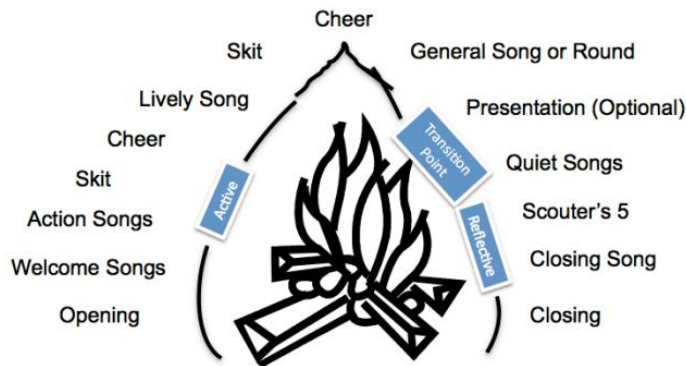

#### **Sunday**

On Sunday evening, all groups will come together in a full Stranded campfire. Your group will have the opportunity to share the best of your campfire program with all the participants in the camp at an "open mike" type campfire program. We are currently looking for a youth Campfire Chief (or two or three) for Sunday evening. They will cooperatively run the campfire, by calling the different groups to contribute to the campfire. Those interested in being Campfire Chief should contact [scouterandrea@gmail.com](mailto:scouterandrea@gmail.com).

Howlers, Patrol Leaders/Assistant Patrol Leaders, Company Leadership Teams; Get suggestions from your lairs/patrols/company on what songs, skits and cheers to do to complete this campfire plan as best you can. This plan is only a suggestion so you can leave out or add anything you wish.

**Traditional Campfire Program Outline**

This outline maybe used for formal, informal and singsong formats.
